

SOCIAL TIMES The girls had a big night out for a preview of the ultimate chick flick.

Champers, chockies and Sex and the City

HUNDREDS of well-heeled ladies rolled into Cremorne Orpheum for a private screening of *Sex and the City 2* recently.

More than 450 girls and three guys sampled champagne and chocolates while watching their favourite New York quartet, Carrie, Samantha, Miranda and Charlotte, on their decadent romp through Abu Dhabi.

The event was hosted by non-profit organisation The Young Love Foundation, which offers mentors for young people.

"The movie is about friendship and friends supporting each other which ties in well with what we are trying to

achieve with our mentoring program," director and Mosman resident Vicki Condon said.

Tickets cost \$35, which helped raise almost \$10,000 for the Bump mentoring program.
